For the Middletown Transcript.

It is proposed this next week to introduce before the Legislature, a bill requiring the analysis of all the Fertilizers now offered for sale in this State. In order to secure its passage the agricultural interest should unite in urging the subject upon the attention of the Legislature. For the purpose of awakening this interest among the farmers, I submit the following statement of values of 16 Fertilizers made by Prof. S. W. Johnson, from actual analysis and computation, copied from Prof. J's report to the Connecticut Board of Agriculture for the years 1868 and 1869,

No. 1.	Fish Guano worth	$30 40	Retail Pr.		$45
" 2.	Baughs Super Phos.	22 05	"	"	60
" 3.	Staggs "	29 32	"	"	65
" 4.	E. F. Coe "	32 09	"	"	60
" 5.	Rusli "	47 32	"	"	56
" 6.	Mapes "	27 36	"	"	60
" 7.	Lodi Double Ref. Pd.	2 33	"	"	28
" 8.	Lodi "	2 43	"	"	30
" 9.	Salt petre waste	11 23	"	"	35
" 10.	Castor Pomace	17 18	"	"	35
" 11.	Baughs Bone Fert.	13 93	"	"	50
" 12.	Lords Super Phosp.	22 34	"	"	58
" 13.	Wilsons "	21 50	"	"	80
" 14.	Home made Sup "	11 09	"	"	
" 15.	Bradleys "	27 47	"	"	70
" 16.	Atwoods "	20 43	"	"	70

The samples of the above Fertilizers from which the analysis were made, were taken by the Secretary of the society, Mr. T. S. Gold (to whom I am indebted for the report) from the ware-houses of sundry dealers, located in different parts of the State of Connecticut, and sent unmarked to Prof. Johnson, they were therefore a fair expose of the commercial value of each Fertilizer put upon the market in that State. With the exception of some five or six kinds, these articles are unknown in Delaware, but is it not fair to assume that the kinds in use in Delaware are of any more relative value than those of Connecticut, and by sum totalling the whole I find fifteen articles cost to the manufacturer $333,53 and were sold to the farmer for $802.00, making as profit between producer and consumer of $468,-47 or about 150 per cent, and that only on 15 tons as much profit as a good Super Phosphate should cost. Unite then farmers and petition the Legislature for such law as will protect you from further imposition. A good fertilizer will pay and the lands in Delaware need all the assistance we can give them, and none of them can afford to be robbed by a worthless Super Phosphate. FARMER.

FARMERS!!

Look to your Interests,

AVAIL yourselves of what *may* be your only opportunity to get Pure Norway Oats for seed without investing any money—For a short time I will offer to furnish a few reliable farmers with genuine Norway Oats for seed, on the following conditions:

Each farmer on application will receive as many bushels of oats as he may desire, for which he will be required to give his receipt and specify on the same that he will deliver at Middletown Depot, or some other depot on the Railroad, four bushels of Norway Oats, for me, for every one bushel received by him from me, on or before the 1st day of October 1871. Each applicant will be served in order, in quantities of not less than ten bushels. By this means he will get his seed oats for nothing, and from my experience with the oats and from the numerous testimonials I have seen in their favor, I believe he will have more bushels to sell after paying me back, than he would have had from any other oats, besides getting his seed oats for nothing. These oats have proven, on a trial of several years, to be *very superior to all other kinds in point of yield*, besides having such a stiff straw that there is little or no danger of them falling down. From what I have seen of them I believe they will produce, under favorable circumstances from fifty to eighty bushels to the acre. I raised last year about thirty bushels to the acre on as poor ground as there is in New Castle Co. I sowed one bushel to the acre, but owing to the fact that they were *drilled* in on freshly plowed ground and followed by a heating rain, they were covered too deeply and only about one half bushel came up. All who saw them thought that had they been thick enough they would have produced from fifty to sixty bushels to the acre. Mr. D. B. Higgins, near McDonough, raised them last year and considered them vastly superior to any other oats he has tried. Our seed needs changing as much as our Stock, and a good crop of oats is much more profitable than a crop of wheat, therefore, it pays best to get the best seed.

All those who think of sowing Norway Oats next Spring are cordially invited to visit E. T. Evans or A. T. Bradly, at Middletown depot, and there learn the origin of the oats, and read some of of the numerous testimonials in their favor. Those farmers who prefer to buy them can do so for $2.00 per bushel, cash or ninety day note. Orders either way, may be left with E. T. Evans, or A. T. Bradly or with the subscriber. E. R. COCHRAN.

SIMMONS' LIVER REGULATOR

THE SYMPTOMS of Liver Complaint are uneasiness and pain in the side. Sometimes the pain is in the shoulder, and is mistaken for rheumatism. The stomach is affected with loss of appetite and sickness, bowls in general costive, sometimes alternating with lax. The head is troubled with pain, and dull, heavy sensation, considerable loss of memory, accompanied with painful sensations of having left undone something which ought to have been done. Often complaining of weakness, debility and low spirits. Sometimes many of the above symptoms attend the disease, and at other times very few of them; but the liver is generally the organ most involved. Cure the liver with

HANNAH.

I talked of sin, and they listened in awe
As I told of its cause and governing law
In most effective manner;
And one from out the gathered throng
Cried out in pathos deep and strong:
"That's what's the matter with Hannah!"

I looked around for the troubled dame,
And called her out by her given name,
(For I did not know the other;)
And said, with a sigh which the crowd could hear,
"Woman called Hannah, if thou art near,
Approach thy Christian brother."

My hearers laughed at my earnest cry,
And "Put a shanty over his eye!"
Cried some in mocking fashion;
But I paid no heed to the scoffing few—
"Hannah, my sister, I call for you
In love—not wrath or passion.

"Come, then, to the altar, oh, child of woe!"
Then spoke another, "Not any for Joe!"
I wondered at him slightly,
And said, "Oh, Joseph, the flesh is weak!
It makes me tremble to hear you speak
Of holy things so lightly."

Then up from the heathen came a cry
Of "Bully, old fellow!" "How's that for high!"
It fairly made me shiver,
And I trembled in heart, as well as in limb,
As they fiendishly screamed, "Put a head on him,
And pitch him into the river!"

But I stood my ground, and commenced to tell
Of terrible fires in a terrible hell
That would burn them up forever
If they lived for the world. Said a man of pelf,
"Oh, golly! you know how it is yourself.
To this I answered, "Never!"

And started for home, as they would not yield,
And I had neither sword nor shield
That might defend my banner:
And to-day I sigh for the slough of sin
Which one poor woman is waiking in,
Whose given same is Hannah.

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this *Sarsaparilla* is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this *SARSAPARILLA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears*, and other eruptions or visible forms of *Scrofulous* disease. Also in the more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Tumors, Piles, Epilepsy, Neuralgia*, and the various *Uterine* affections of the muscular and nervous systems.

Syphilis or Venereal and *Mercurial Diseases* are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhœa or Whites, Uterine Ulcerations*, and *Female Diseases*, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. *Rheumatism* and *Gout*, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also *Liver Complaints, Torpidity, Congestion* or *Inflammation* of the *Liver*, and *Jaundice*, when arising, as they often do, from the rankling poisons in the blood. This *SARSAPARILLA* is a great restorer for the strength and vigor of the system. Those who are *Languid* and *Listless, Despondent, Sleepless*, and troubled with *Nervous Apprehensions* or *Fears*, or any of the affections symptomatic of *Weakness*, will find immediate relief and convincing evidence of its restorative power upon trial.

COUGHS, SORE THROAT, &C.

No medicine or treatment can excel the powerful curative power of

DR. SIMMS'

White Pulmonic Balsam.

IT cures with a rapidity unequalled by any other remedy offered for throat and lung diseases. It is recommended by over 2,000 persons in Wilmington, and hundreds in Philadelphia, Baltimore, and other cities and communities throughout the country. Mr Pennington, of Wilmington, Illinois, writes that there is not (with a few exceptions) a family in that city who will be without it if possible to procure it. Such is its popularity wherever it is known—and this popularity arises from the fact that it universally cures all who use it. There is no case of Coughs, Colds, Sore Throat, Asthma, Bronchitis, Croup, Blood-spitting, Hoarseness, and even Pulmonary Consumption, where the system is not broken down with the wear of the disease, or pretended medicine, or inexperienced advice, that this Balsam will not cure if carefully used, according to directions. We guarantee all we represent it to be, and invite a trial from the afflicted everywhere. Price 50 cents, medium size, and $1 for large size bottles. Prepared only by
